

Services - Motor

We manage over 1.3 million motor legal expenses policies in the UK and Ireland.

"Arc Legal's motor claims service ensures our customers have first class cover and a claims service that works for them."

Dawn Probert,
Divisional Claims Director,
Chaucer Insurance

Arc Legal Assistance operates varying levels of motor legal expenses insurance contracts for a number of different organisations.

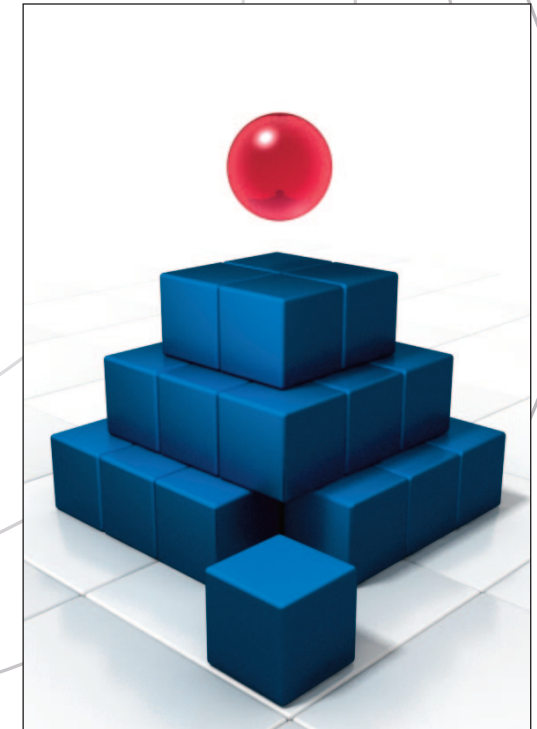

We tailor our services to match any specific requirements that our clients have.

The cover available includes:-

- Uninsured loss recovery
- Pursuit of personal injury claims for driver and passengers
- Cover for legal costs to defend fixed penalty motoring prosecutions
- Cover for legal costs to pursue or defend disputes in relation to the sale, hire or purchase of goods or services used in connection with the motor vehicle including the motor vehicle itself
- 24/7 motor legal helpline
- Up to £100,000 limit of indemnity
- European Union territorial limits

Our unique offering provides the following advantages:-

- Solid underwriting
- Attractive and transparent commercial terms
- All claims handled by market-leading solicitors
- Clients can select their own solicitors, car hire and other service providers and negotiate commissions directly with them if they wish to
- Effective delivery of hire vehicle and repair provision
- Design, implementation and management by experts in legal expenses insurance and assistance services
