

Staying COVID-19 secure

ARC LEGAL HAS COMPLIED WITH THE GOVERNMENT'S GUIDANCE ON MANAGING THE RISK OF COVID-19.

Working with our health and safety consultants from Southalls, we have implemented the following 5 steps to safer working:

1. Carried out a COVID-19 risk assessment and shared the results with our employees.
2. Cleaning, handwashing and hygiene procedures in line with Government guidance.
3. All reasonable steps have been taken to assist employees working from home.
4. All reasonable steps have been taken to maintain a 2-metre distance within the workplace.
5. Where people cannot be 2-metres apart, we have taken every precaution to manage the transmission risk.

The risk assessment has been shared with all Arc Legal employees and is available on request.
